Our children of St. Thomas of Canterbury are resilient.

Dear Parents,
Our school commemorated the 80th anniversary of Victory In Europe by offering prayers and thanks to a heroic generation. Children reflected on life during wartime and the importance of letter writing to loved ones. To replicate this, all pupils have written a letter to their loved ones which you should have received. Jars were converted into beacons of hope, used to illuminate a dove symbolising hope and peace.

Thursday also brought news of the election of a new Pope, **Pope Leo XIV**, born Robert Francis Prevost. Just as we created our dove of peace, Pope Leo greeted the world with **"Peace be with all of you."** May Pope Leo guide us all.

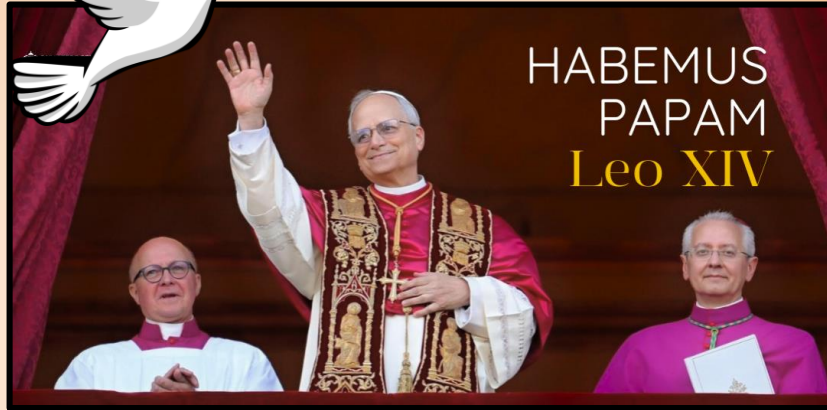

Next week our Year 6 children will be sitting their Standard Assessment Tests. Please support your child by ensuring they are well rested and encourage them to try their best. We are already proud of how hard they have worked this year.

Best wishes,
Mrs Poulteney

We learn, achieve and love following Jesus.

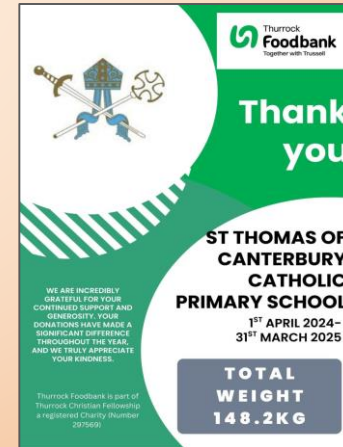

"Peace be with all of you."
