

The world as a special place for the Christian Community

The earth is the Lord's and everything in it, The world, and all who live in it

Or this?

CAFOD works alongside poor communities around the world to enable people to care for and protect God's world as a special place.

A CAFOD partner has provided families in the community with seeds, pans, mosquito nets, blankets & farming tools. The produce they grow from the seeds and sell pays for the children's school fees.

**How can you help to keep
our world a special place?**

- Look up the word *ecology*: it is about everything working in harmony, as God planned it. Think about some ideas for bringing more harmony into your school environment e.g. grow something to enjoy and share, tidy a messy area etc. Create a mind map of your ideas.
