

Monday

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Choose number bonds then make 10 or ...

Use number cards 0-10 (given in your pack or can be found in Week 1). Place the cards face down. Pick a card and turn it over. Say the number pair to make 10. If you get it right keep the card, if you get it wrong turn it face over again.

Tuesday

Show four pegs at one end of a coat hanger, and three at the other. Say the addition together: four add three is seven. Write down the addition: $4 + 3 = 7$. Write the two related subtractions, i.e. $7 - 4 = 3$, $7 - 3 = 4$. Repeat with other pairs to 7, using the coat hanger to demonstrate.

Wednesday
