

# She-Wolf Poem

Write your poem about the she-wolf. Can you improve these poetry lines and make them your own? You should start with a fronted adverbial for some of the lines. You should also try to improve the verbs and add in adjectives. Don't forget to add in some lines of your own.

Here are some words to help you:

## Fronted Adverbials

Gently, Slowly, Carefully, Without a sound, Swiftly, Desperately, Taking great care

## Adjectives

grey, caring, powerful, beautiful, strong, fierce, determined, furry, protective, gentle

## Nouns for inspiration:

nose

legs

fur

eyes

jaws

teeth

The wolf was by the trees.

She saw something in the water.

She sniffed the air with her nose.

She walked towards the babies.

The wolf opened her jaws.
