

Topic Work – Week beginning 13.5.20

To be submitted to your teacher before 3pm Wed 20.5.20

Check out the additional activities under Topic for extra, optional activities.

REMEMBER - Please send all tasks as one document to your teacher. Start a document for Topic and keep resaving so that all your tasks can be sent as one attachment. Always write the date and title on a piece of work.

This topic work should take you 5 hours to complete – 1 hour a day.

Subject	Focus	ACTIVITIES
R.E	To realise the role of a modern witness.	<p>Keep up your rosary prayers during May</p> <ol style="list-style-type: none">1. A modern witness is someone whose beliefs shape their own lives and the lives of others. A missionary is an example of a modern witness. Not all modern witnesses are missionaries.2. Look at the video of Sr Sonia on mission together website: http://www.missiontogether.org.uk/3. Think about Sr Sonia and how she changed her life for the good of others.4. Choose a modern witness: Desmond Tutu, Mother Theresa, Corrie Ten Boom, Nelson Mandela, Oscar Romero, Don Pino or another person, who you believe is a Modern Witness.5. Present the answers to these questions: What impressed you most about this person? How are they a witness? What difference has their courage and witness made to others? What do you think gives them their courage? You can choose how to present this information.
SCIENCE and DT	Create a game to embed understanding of the circulatory system.	<ol style="list-style-type: none">1. Read the presentation (if you are able to, use the power point rather than the PDF) entitled - circulatory system functions.2. Check that you know the functions by reading function sheets 1 and 2.3. Decide what sort of game you will create; you can use the ideas given or your own idea.4. Make a plan first.5. Create the game and then play it - please send your game by email or send a picture of it.
GEOGRAPHY	To know and use compass directions.	<ol style="list-style-type: none">1. Read through the lesson presentation - compass points. Try to use the power point version.2. Think about the directions and try to work out the answers to the questions on the presentation.3. Choose a sheet to complete - challenge 1, 2, 3 or 4. There is a word (editable version) if you prefer.4. Extra challenge - can you create your own instructions using compass points?
