

Woodpecker Poem

Write your poem about the woodpecker. Remember to include similes to describe the different parts of the woodpecker's body, the way she moves and perhaps the sounds she makes.

Think of a title for your poem: _____

Nouns:

beak
eyes
claws
feathers
tail

Some ways that you might start your lines:

Her beak is as sharp as...
Her legs are as thin as...
She flies gracefully like...
Her eyes are as small as...
Her tail feather is as pointy as...
