Day 2

The Life Cycle of a frog.

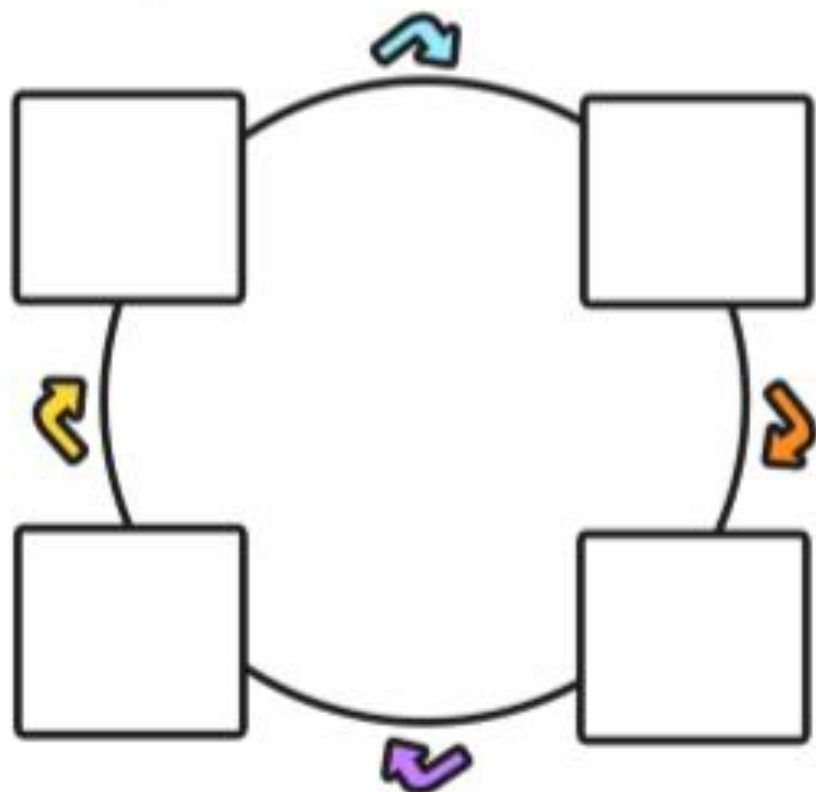

Use the link below to learn about the life cycle of a frog.

<https://www.youtube.com/watch?v=F3ElGMVU6SY>

When you have finished, use the provided sheets to make your own cycle of a frog. Remember to use your scissors carefully when cutting out the different pictures.

FROG LIFE CYCLE

Can you put the pictures in the correct order?

FROG LIFE CYCLE

Cut out these images to use with the worksheets

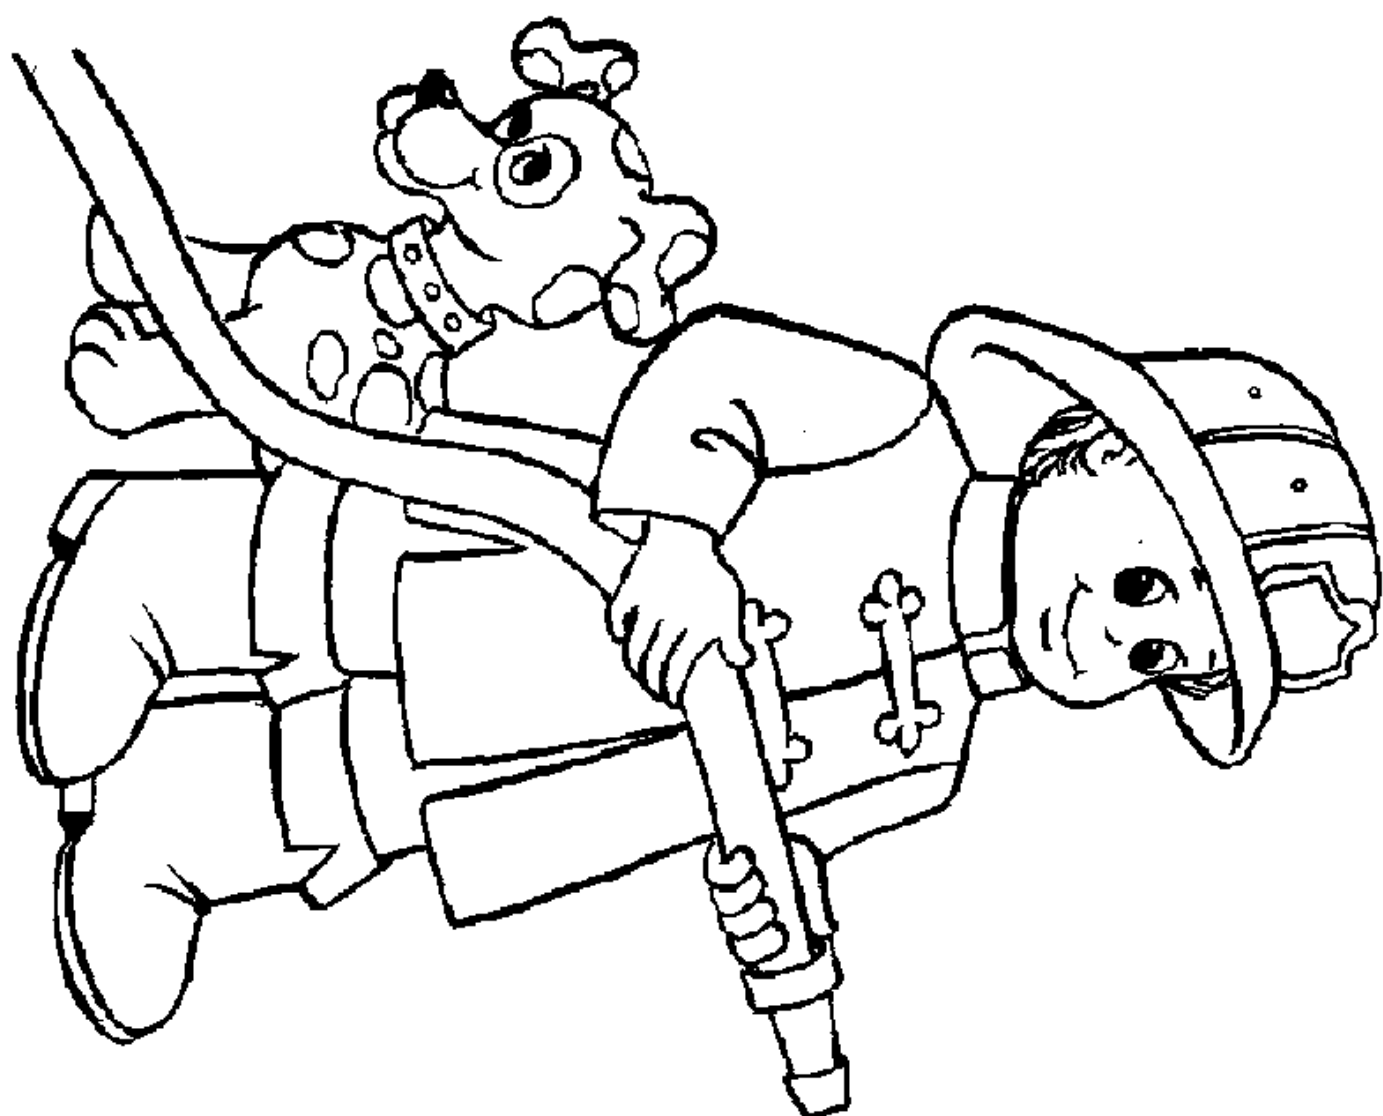

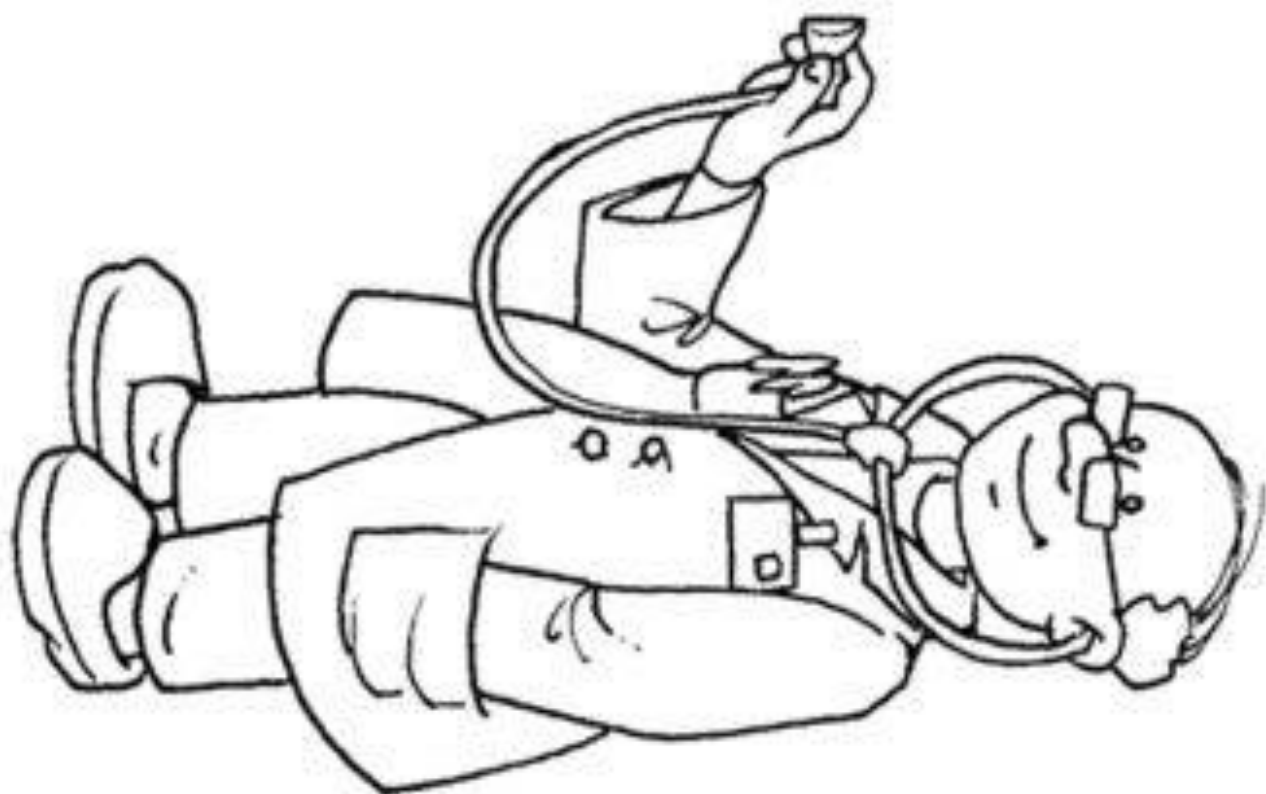

Day 3.

Today you can use any painting or drawing programme you have on your home computer to paint/ draw your favourite minibeast and do a life cycle for your favourite minibeast.

Can you make up a song about your favourite minibeast. Ask an adult to record you as you sing it. You can use some improvised instruments as well e.g. pots, spoons, bottles etc.

Day 4

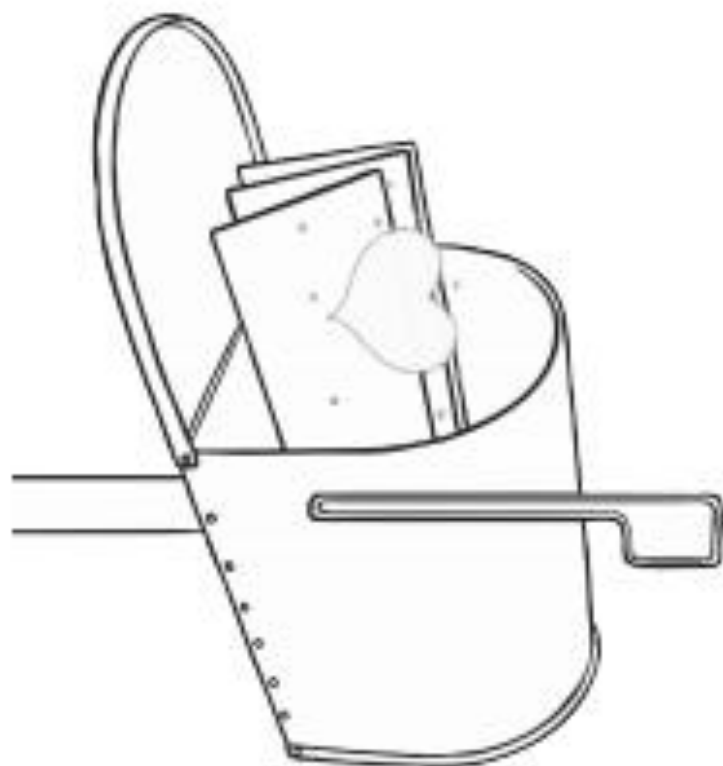

Today we would like to take some time to think about our superheroes who are working so hard whilst we are safe at home. You can colour in as many of the heroes as you can. Talk to an adult about how they different key workers are helping you and others to be safe.

Thank You For
Keeping Us Safe
