

Day 5

Finishing your
newspaper report
and editing it

Day 5

- Today you must finish your newspaper report, from yesterday, about the clouds from the short clip.
- A reminder of your challenges is on the next slide.

Challenges

- Challenge 1: Write a newspaper report using adventurous adjectives and direct speech from eyewitnesses.
- Challenge 2: As above, using direct and reported speech as well as commas to add detail.
- Challenge 3: As above and use varied sentence structures (e.g. fronted adverbials and complex sentences)

Once you have finished...

- Proofread your newspaper report. Does it read well? Does it have all the correct punctuation? Is it interesting? Does it inform the reader about what has happened?
- Then, look at the **checklist** on the website. Can you tick every box? If not, amend your newspaper report so that you can.
