

Week 9 Activities

Hello everyone.

I trust that you are all safe and missing school.

This week we have some exciting activities for you to do at home and at school for those who have returned to school.

For RE, we will look at the story of the Two Little Fish and Five loaves of Bread. The adults can use the PowerPoint supplied to tell the story to you and then help you to do the activities. Alternatively, they can read the story from the Book of Matthew 14:14-21, in the Bible.

We would like you to continue with the same PE activities you have been doing and remembering to change into your PE kit.

NB. Please, remember to take photographs and keep them in your folder and to date every written activity.

Please stay safe and keep praying for everyone.

Day 1

Use the PowerPoint to tell the story or watch from <https://www.youtube.com/watch?v=k6FbkPkupdU>

Refer to the word mat for key words.

Colour in one of the pictures on feeding the 5000.

Day 2

Recap the story of Jesus feeding the 5000 people. (Matthew 14:13-21)

Use the provided sheet to write sentences about the story. Use the word mat for key words.

Day 3

NEW TOPIC – FRIENDS.

Discuss with your child what friends are.

Talk about what friends do together. Is it always easy? What can go wrong?

Use the sheet provided to do a poster about what friends do together.

Children can label using the different activities eg Play together. Share toys etc.

Day 4

Handa's Surprise: Learning about Africa.

Use the map provided or a globe if you have one to show the children the map of Africa. Talk about at least 3 different countries. Use the map to explain that African is a continent made up of different countries and that it is not a country.

Watch the video about Africa: <https://www.youtube.com/watch?v=PSYHMWmyVfo>

Explain that there are different languages spoken in the different African countries and that there is no single language for the continent.

Cut out some of the fruit from Africa. If possible, and you can find some, let your child taste and describe the fruit.

Day 5

Watch the videos and talk about the characteristics of the different African animals.

https://www.youtube.com/watch?v=9_I9sz82mLc

<https://www.youtube.com/watch?v=HLbwqAYozZM>

Use the lined sheets to draw your favourite African animal and write sentences about the things you have found out about it.

Use the face mask sheets. Cut out and make 3 different face masks for you and your family. You can cut out more if you like.
