

5LC's Class Mass

Promises

In our Class Mass today, our theme was Promises. Father Brian came and led us in our Mass. Some of our parents came to participate and receive communion. We had a variety of new songs and most people enjoyed them, even Mrs Ward and Father Brian.

The Gospel reading was about when Jesus was nailed to the cross with two other people. This is when he said, 'Today, I promise that I will take you to paradise with me,' (Gospel Acclamation).

Father said that it is important to call each other by our names. After, we had communion. The children went first then the parents. Although the Mass and songs were hard, we got through it well. We ended with 'Share the light of Jesus' at around quarter to eleven. We had fun and did well.
