

Victorian Day

By Oliver Pace, Raizell Trinidad, Dubem Ikechi -5LC

Two weeks ago (13.3.19), Year 5 did Victorian Day in school, some of us dressed up, some of us didn't. Visitors came in and we all got the chance to experience life as Victorian children by acting. After the workshop, we went to Mrs Harris' class and did research on Kings and Queens to find the differences between Queen Victoria and Queen Elizabeth (Queen Victoria is the great great grandmother of our Queen). We also did a fact file on the two Queens.

In Miss Collier's class, we created our own Victorian snakes and ladders board game, we could make it any theme we wanted.

After lunch, we went back to Miss McAnnally's class. We were pretending to be in a Victorian classroom with Miss McAnally as a strict teacher with a scary cane. We did copywriting and had to write 'children should be seen and not heard'. We then had to recite the times tables before creating a mini Victorian school paper model and colouring the British flag.
