*Our children of St. Thomas of Canterbury are resilient.*

Dear Parents,

Welcome to the summer term. It has been lovely to have the children back at school. They all look well rested and eager to learn. This half term we shall focus on the next school value, being **resilient**. Part of being resilient is knowing who to rely upon and having strong relationships with those around you. Pupils are also taught how to cope with difficult situations, and to use the Zones of Regulation to support their wellbeing.

This week the children were part of an Easter Mass led by Father Stephen and our Year 5 pupils. We were reminded of how God sent his son, Jesus, to us to remind us of His love. We came together as a school community to celebrate his death and resurrection.

Best wishes,  
Mrs Poulteney

*We learn, achieve and love following Jesus.*
