Attendance and Punctuality

It's fine to send your child to school with a minor cough or runny nose. If they are unwell during the day we shall call you to collect your child.

Punctuality

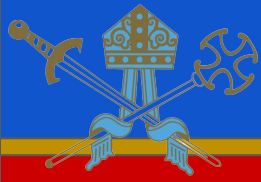

8:40 - School gates open.

8:55 - The school day begins.

All children should be seated in class by this time.

3:10 - Parents arrive to collect.

3:15 - School day finishes.

Absence Procedures

If your child is absent for any reason, you should contact the school office by telephone before 9:00am on the first day of absence. You will be expected to provide an explanation for the absence and an estimate of how long the absence will last, e.g. one school day.

UNAUTHORISED ABSENCE

Where a pupil reaches the national threshold of 10 sessions (equivalent to 5 school days) of unauthorised absence in a rolling period of 10 school weeks, the school will consider whether a penalty notice is appropriate. Each case will be considered individually to determine whether a penalty notice or another tool or legal intervention should be used to improve attendance.

A fixed penalty notice will be applied for in line with the LA's code of conduct and the DfE's 'Working together to improve school attendance' guidance.

Penalty notices for unauthorised absences will be charged at £160, reduced to £80 if paid within 21 days.

Where attendance still does not improve following a fixed penalty notice, the school will work with the LA to take forward attendance prosecution as a last resort.

Children will also explore the feast of Pentecost and the gift of God's Spirit and its transforming power.

Religious
Education
Directory

We have begun to deliver lessons from the programme of study featured in the new Religious Education Directory (RED) entitled *To Know You More Clearly*. Initially, we have launched this new RE curriculum in EYFS and Years 1 & 2, with KS2 following in September 2025.

The six themes, or “branches” of the new curriculum are built around the liturgical calendar. The aim of the updated RED is to enable pupils to become more religiously literate so that they have the knowledge, understanding and skills to reflect spiritually, think ethically and theologically, as well as recognise what religious commitment demands in everyday life.

SCHOOL FOCUS Listening

Your child may talk to you about their listening partner and perhaps you have wondered what this means.

Over the past few months, the staff and children at St Thomas's have done a lot of work around how important it is to listen and how to be good listeners. Your child has a listening partner they talk and listen to in order to share their ideas during the day. This not only benefits your child's emotional wellbeing, but also leads to improved learning and understanding.

SCHOOL FOCUS Playtime and Lunchtime

This academic year, we have invested in more playground equipment using funds raised from the Year 6 Enterprise Day and the Friends of St Thomas. We have been spending time modelling play to the children; they have even been learning new games suitable for playtime in their PE lessons.

Another focus for us this year is lunchtimes. We are working with the children to promote good table manners and etiquette. We are encouraging them to use this time to talk and listen to their friends at their table as well as being adventurous and trying new foods.

SCHOOL FOCUS- Maths Mastery

This academic year, we have introduced the mastery approach to the teaching and learning of Maths at St Thomas's. Teaching for mastery assumes **everyone** can learn and enjoy mathematics.

A mastery approach means that pupils are taught through whole-class interactive teaching, enabling all to master the concepts taught. In a typical lesson, the teacher leads back and forth interaction, including questioning, short tasks, explanation, demonstration, and discussion, enabling pupils to think, reason and apply their knowledge to solve problems.

Key number facts are learned until they become automatic, and other key mathematical facts are learned deeply and practised regularly.
