PE and Sport Premium Funding Impact Report

Swimming and water safety

Meeting the swimming and water safety national curriculum requirements	
What percentage of Year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres?	28 %
What percentage of Year 6 pupils can use a range of strokes effectively, for example, front crawl, backstroke and breaststroke?	28 %
What percentage of Year 6 pupils can perform safe self-rescue in different water-based situations?	80 %
Has the PE and sport premium been used to provide additional provision for swimming activities over and above the national curriculum requirements?	No

Funding received

Total funds allocated: £21,250

Objectives

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport
2. Engagement of all pupils in regular physical activity
3. The profile of PE and sport is raised across the school as a tool for whole school improvement
4. Broader experience of a range of sports and physical activities offered to all pupils.
5. Increased participation in competitive sport

Objective 1: Increased confidence, knowledge and skills of all staff in teaching PE and sport			Percentage of total spending
			28 %
Actions taken	Funding spent	Evidence and impact	Sustainability and suggested next steps
1	£6,188	Support staff and middays are becoming increasingly confident in leading activities that engage pupils in physical activity. Increase in staff knowledge and skills.	More confident, skilled Heads of Year to continue to disseminate good practice amongst staff.
2			

Objective 2: Engagement of all pupils in regular physical activity			Percentage of total spending
			26 %
Actions taken	Funding spent	Evidence and impact	Sustainability and suggested next steps
1	£5,500	Children have a clear understanding of how exercise and physical activity contributes to a healthy lifestyle. Children are exposed to a wide range of physical activity. Children are beginning to see PE skills as transferable in the same manner as other curriculum skills.	Class teacher to follow expertise of Sports Coach when teaching classes.

2	Sport Coach to support regulation of SEND pupils by engaging in physical activity sessions.		All children are developing their skills in order to become confident and competent movers. Physical activity enables pupils to be better emotionally regulated.	
3	Sports Coach to support physical activity during play and lunch times.		Children enjoy play and lunchtimes where they can be active with their friends. Increase in pupil fitness levels.	

Objective 3: The profile of PE and sport is raised across the school as a tool for whole school improvement				Percentage of total spending
				21 %
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Employment of a Sports Coach who teaches regularly across the school, is an identifiable pupil for students.	£4,480	Sport has a higher profile throughout the school.	Class teachers follow the example of sports coach to enthuse pupils to engage in regular physical activity.
2	PE action plan details the intent, implementation and impact of employing a Sports Coach.		PE leads and all stakeholders understand the role of the Sports Coach.	

Objective 4: Broader experience of a range of sports and physical activities offered to all pupils.				Percentage of total spending
				22%
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Sports Coach offering a range of sporting clubs before and after school.	£2,000	Extra curricular clubs are popular and provide an excellent source of physical activity in a range of different forms.	Continue to offer a range of clubs before and after school.
2	Whole school access to Now Press Play; an interactive learning experience tool.	£2,622	Pupils are keen to be active learners. Now Press Play supports kinaesthetic learning. It enables pupil to access learning experiences across cross-curricular disciplines.	Continue to fund Now Press Play ensuring progression across the school.

Objective 5: Increased participation in competitive sport				Percentage of total spending
				3 %
Actions taken		Funding spent	Evidence and impact	Sustainability and suggested next steps
1	Sports Coach to facilitate Key Stage 2 pupils participating in Borough Olympics.	£410	The establishment of links with external sources enabling more opportunities for competitive sports.	Continue to participate in competitive fixtures with the local area.
2	Whole school Sports Week at Blackshots Sports Centre.	£250	Pupils understand the role of competition within sport. Increase in pupil resilience.	Continue to hold Sport Week in a stadium venue.

			<p>The profile of physical activities and competition is raised with parents.</p> <p>Increase pupil cultural Capital by competing in a professional arena.</p>
