

Newsletter 3/10/25

Dear Parents,
I have been incredibly proud of the positive start children have made this year. During our recent School Improvement Partner visit, it was wonderful to see children engaged in learning, teachers supporting students, and inclusive practice throughout the school.

We began the year with Recycling Week, and I am excited to see your creative milk bottle entries—prizes will be awarded soon!

October also marks the launch of Black History Month. This year's theme, *Standing Firm in Power and Pride*, will inspire learning across the school.

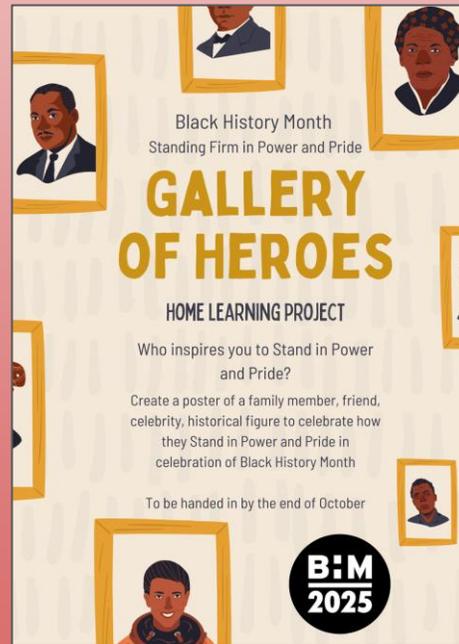

Best wishes,
Mrs Poulteney
Headteacher
