

Progress score in reading, writing and maths

We are not able to calculate KS1-KS2 progress scores for academic years 2023/24 and 2024/25. This is because there is no KS1 baseline available to calculate primary progress measures for these years due to Covid-19 disruption. We are also unable to show results broken down by prior attainment. For more information see the [KS2 technical guidance](#) opens in a new window. You can also view historic 2022/23 progress measures on the [Progress measures for the 2022 to 2023 academic year](#) page.

Attainment measures show how pupils have performed in tests and assessments but do not take pupils' starting points into account.

Pupils meeting expected standard in reading, writing and maths ?
