All children should be seated in class by this time.

3:10 - Parents arrive to collect.

Absence Procedures

If your child is absent for any reason, you should contact the school office the best way to inform us is by sending an email by 9am to attendance@stthomasofcanterbury.thurrock.sch.uk

Please ensure you include the following details:

* Child's name * Child's class * A description of the reason for absence

UNAUTHORISED ABSENCE

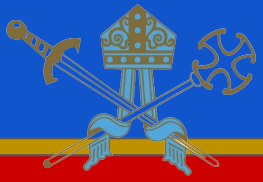

Where a pupil reaches the national threshold of 10 sessions (equivalent to 5 school days) of unauthorised absence in a rolling period of 10 school weeks, the school will consider whether a penalty notice is appropriate. Each case will be considered individually to determine whether a penalty notice or another tool or legal intervention should be used to improve attendance.

A fixed penalty notice will be applied for in line with the LA's code of conduct and the DfE's 'Working together to improve school attendance' guidance.

Penalty notices for unauthorised absences will be charged at £160, reduced to £80 if paid within 21 days.

Where attendance still does not improve following a fixed penalty notice, the school will work with the LA to take forward attendance prosecution as a last resort.

- Ensuring equality and fair treatment for all.
- Praising and rewarding good behaviour.

- House Points and stickers
- Certificates linked to our school values

Religious Education

Some parents have asked for more information on what Religious Education consists of at STOC.

Christ is at the centre of everything we do in school, as a Catholic School we;

- pray together at the start of the school day, before and after lunch and at the end of the day
- come together weekly for Celebration of the Word led by a member of staff
- share in class-led Celebrations of the Word over the academic year
- sing and learn new hymns in our musical celebration of the word
- provide children with the opportunity to lead on collective worship within the class based around Scripture
- offer opportunities for spontaneous prayer with prayer areas around the school
- share Advent and Lent bags with families so they can celebrate at home too
- have Faith Councillors in every class
- celebrate both Mass and other services such as Ash Wednesday
- invite Fr Paschal to come in and talk classes in different year groups about topics they are studying
- portray the Nativity and Easter Passion with performances in school for the community
- support the community and fundraise for charities, donating to food banks and clothes banks.

Our learning this term

Throughout the Summer term, this is what we will be covering:

English: Children will be using these texts to write graphic novels, poetry, instructional writing, an informal letter and a balanced argument. They will then end the year with a piece of performance poetry.

Maths: Children will be focusing on Fractions, Angles and Shapes and Measures. During Summer 2, they will also be doing their last set of assessments in Year 3.

Science: Children will begin the term learning about Animals including Humans. They will learn about the bones in the body, identify and classify different animals and different food groups.

Their last Science topic this year will be Plants. Children will learn about the functions of each part of a plant, the requirements for plants to grow and what pollination is.

Summer Term - themes and topics

Branch 5: To the Ends of the Earth: (Summer 1)

Though the story of Emmaus has been studied before, it also mirrors the pattern of Mass, and the disciples recognise Jesus when he blesses and breaks bread. The power of this story is seen in many works of art. They will also connect with the words of Jesus at the end of Matthew's gospel and the words that the Priest or Deacon says at the end of the Mass.

Branch 6: Dialogue and Encounter: (Summer 2)

We begin this branch by looking at the Jewish Passover. The story of Exodus is read from a book called the Haggadah, which we will be looking at in detail and we continue by learning how the feast of the Passover is important because they believe that it links with Jesus' last meal with his disciples. In the gospels of St Matthew, St Mark, and St Luke, the Last Supper is a Passover meal. In the book of Exodus, the Passover happens at the beginning of a new era for the Jewish people when they are saved from slavery by God and set free. In learning about Islam, pupils should take a religious law or belief and explore how people live this out.

- Celebration of the Word
- Musical Celebration of the Word

Mass is celebrated regularly at school and church for the whole school and individual year groups. All parents welcome to attend.

We learn, achieve and love following Jesus.

Reading

Becoming a fluent, skilled and attentive reader starts at the earliest stages. Therefore, making sure that children become engaged with reading at the earliest opportunity is one of the most important ways to make a difference to their life chances.

Books are changed weekly. Please listen to your child read every day and and leave a comment in his/her reading record.

Homework

Reading - 5 times a week

TT Rockstars - 10 minutes a day

Spellings - in Homework book -

Maths - Linked to our week's learning - Out on Thursdays, in on Tuesday

Forest School

Forest School is a fun and adventurous way for children to learn outdoors. It helps build confidence, teamwork and problem-solving skills while letting children explore nature. Pupils will learn how to use tools safely, care for the environment, and, most importantly, have lots of fun, including fire safety and even enjoy some outdoor cooking in a safe, controlled environment.

During the year, each class will have a series of sessions, led by a qualified Forest School coordinator, during school hours at a scheduled time each Friday, in our dedicated Forest School outdoor learning area. Your child needs to wear their school PE kit for the duration of the sessions. Since Forest School happens in all weather (unless it is extremely windy or icy), please make sure your child has:

- PE kit tracksuit with long trousers and jumper or PE jacket
- A waterproof coat for rainy days and warmer coat in winter
- School jumper can be worn for extra layers in winter
- Trainers (wellies or boots on rainy days*)

* As our Forest School area is quite sheltered, trainers will be suitable to be worn most of the time, however school staff will always notify parents in advance if wellies or boots are needed for particularly wet weather.

Changes to Break & Lunch Timings

- Change:
 - Lunchtime reduced from 60 minutes to 45 minutes.
 - Morning break increased from 15 minutes to 30 minutes.
- Overall Impact on Pupils:
 - No reduction in total break/outdoor time for pupils across the day.
 - Timings are simply rebalanced to better support learning, play, and wellbeing.
- Educational Rationale:
 - The extended 30-minute morning break allows meaningful play opportunities.
 - Staff on duty can lead and participate in structured games with pupils.

Cultural Diversity Day

Thursday 9th July 2026

To celebrate our cultural diversity, we are planning a full day of celebrations. We will have various activities throughout the day; please let your child's class teacher know if you can help in any way or have a particular talent to share with us. This could be linked to cultural dance and music, art ideas, reading stories in a different language or any other suggestions you might have.

We would be delighted to hear from you!

God had a plan to make you unique.

Not one of us is out of place.
We all belong to the human race.

The Religious Education Directory

Religious
Education
Directory

We have begun to deliver lessons from the programme of study featured in the new Religious Education Directory (RED) entitled *To Know You More Clearly*. This new RE curriculum was launched in EYFS & KS1 last year and is being introduced to KS2 this academic year.

The six themes, or “branches” of the new curriculum are built around the liturgical calendar. The aim of the updated RED is to enable pupils to become more religiously literate so that they have the knowledge, understanding and skills to reflect spiritually, think ethically and theologically, as well as recognise what religious commitment demands in everyday life.

St. Thomas of Canterbury's Parent Heritage Group

Welcome to St Thomas of
Canterbury's Parent Heritage Group!

Parents and carers will have the opportunity to discuss how our school supports the diverse heritages and multi-cultures within our school. We would like to hear your suggestions about how else we can embrace all aspects of our diverse community.

Everybody welcome!

Dates to be confirmed...

What we aim to achieve:

- Working together as a school/home community to celebrate our diverse cultures across the school.
- Planning cultural days: traditional clothing, traditional music, traditional stories.
- Ways in which the school can support families in celebrating diversity.
- Your ideas for what you would like to see implemented/how you would like to take part and support the children.

Friends of St Thomas' Come and join us!

Mrs Foley, our Community Involvement Lead, is leading the establishment of the Friends of St. Thomas of Canterbury.

If you would like to be a part of this parent support group, who come together to help raise much needed money for our school, you can contact our email address: friendsofstoc@stthomasofcanterbury.thurrock.sch.uk

We got together to organise the tea, coffee and sweet treat sales after the Nativities, concerts, Easter passion plays and parents evenings. We've held break the rules days (non-uniform days) as well as many raffle sales for Valentines, Mother's Day and Easter. We will be arranging: fetes, discos, and other fundraising events **if we get enough volunteers.**

If the only way you are able to support the school is by purchasing the things we have for sale, such as raffle tickets, cakes and coffees, this is still really valuable to help us raise funds!
