2

If you have a further query, make an appointment to speak to the Year Group Leader.

3

admin@stthomasofcanterbury.thurrock.sch.uk

Send in a note with your child.

Speak with the staff on the school gate at the beginning or the end of the day.

Email the class teacher.

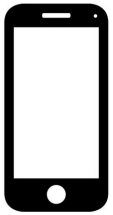

Attendance and Punctuality

It's fine to send your child to school with a minor cough or runny nose.
If they are unwell during the day we shall call you to collect your child.

Absence Procedures

If your child is absent for any reason, you should contact the school office by telephone before 9:00am on the first day of absence. You will be expected to provide an explanation for the absence and an estimate of how long the absence will last, e.g. one school day.

UNAUTHORISED ABSENCE

Where a pupil reaches the national threshold of 10 sessions (equivalent to 5 school days) of unauthorised absence in a rolling period of 10 school weeks, the school will consider whether a penalty notice is appropriate. Each case will be considered individually to determine whether a penalty notice or another tool or legal intervention should be used to improve attendance.

A fixed penalty notice will be applied for in line with the LA's code of conduct and the DfE's 'Working together to improve school attendance' guidance.

Penalty notices for unauthorised absences will be charged at £160, reduced to £80 if paid within 21 days.

Where attendance still does not improve following a fixed penalty notice, the school will work with the LA to take forward attendance prosecution as a last resort.

Key Maths Vocabulary

Here are the key words for Maths this term - please encourage the children to use them when possible.

Word	Definition	Example
Subitise- fast eyes	The ability to instantly look at up to 5 objects and know how many there are without counting.	5 pencils on a table - the child could look and say that is 5.
Double	To multiply by two or add a value to itself.	Ten is double 5.
Equal	Indicates equivalence between two values and can be expressed with the symbol '='. The symbol is read as 'is equal to' which means the same as. Expressions on either side of the symbol have the same value.	My sets are equal because there are four bears in this set and there are four bears in this set.
Fewer	A lesser amount – used when counting discrete objects, i.e. countable objects such as, pens, teddies, counters, etc.	There are fewer buttons on my coat than yours.
More	A greater amount.	I have six apples and you have two. I have **more**.

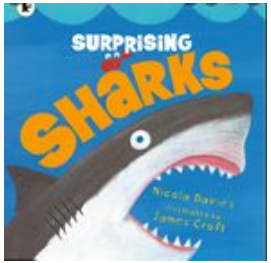

Reading

Becoming a fluent, skilled and attentive reader starts at the earliest stages. Therefore, making sure that children become engaged with reading at the earliest opportunity is one of the most important ways to make a difference to their life chances.

Homework

We have been sending out daily virtual classroom Phonics sounds for the children to watch daily. It is really important that the children interact with these films to embed their in-school learning.

The blending films have also been sent out to ensure children not only learn the sounds individually but also can put them together to read words.

These sheets are sent home at the end of the day/week for children to practise forming each of the letters they have been taught.

It is so important that you encourage them to keep up with the sounds taught so that they can reach their ELGs.

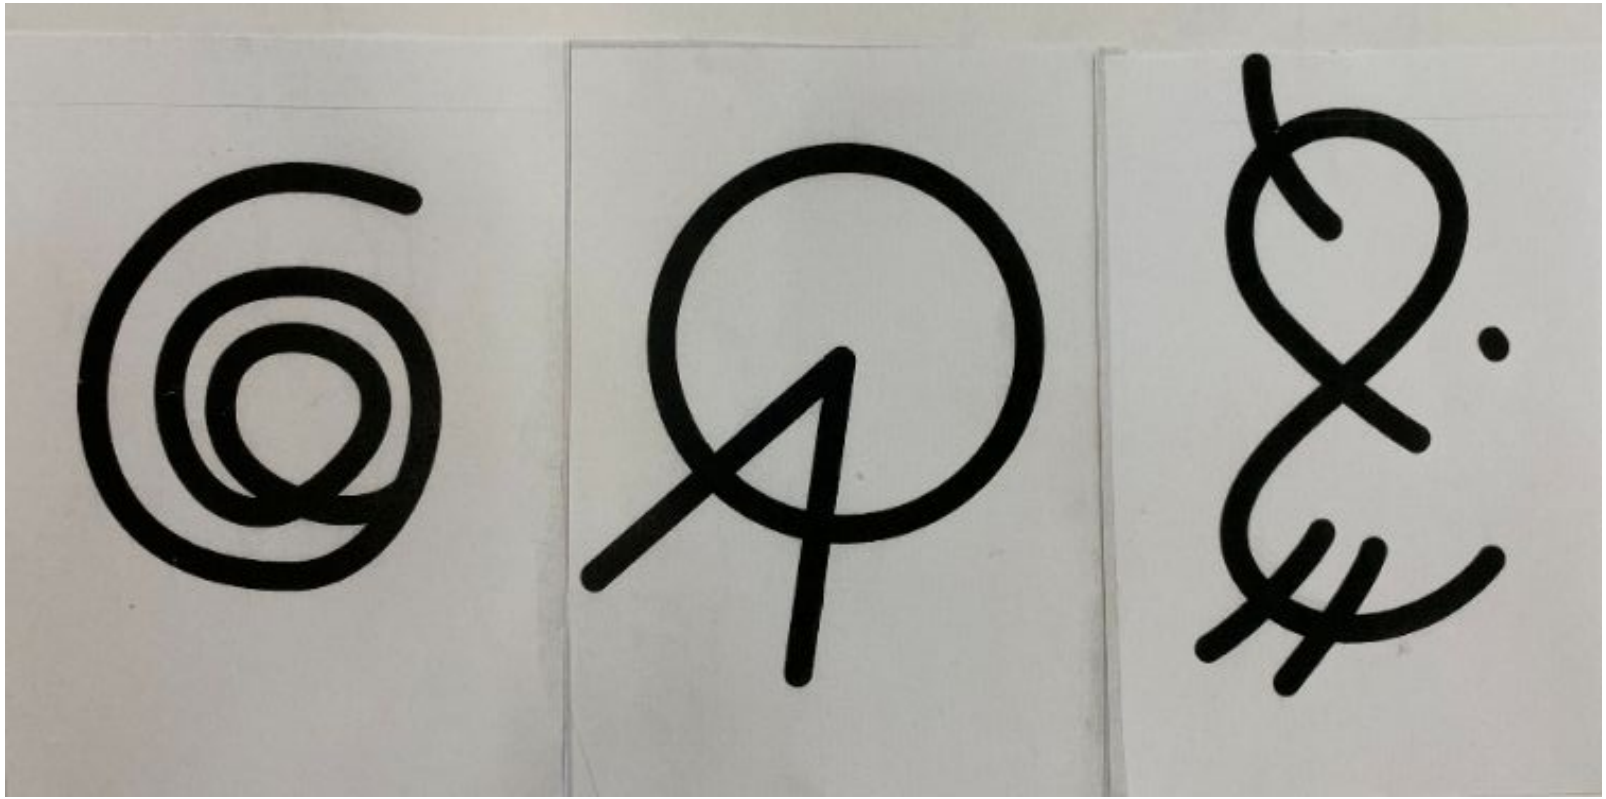

CHRISTUS CATHOLIC TRUST
UNIQUE AND UNITED IN CHRIST

Let's have a go at reading!!

I will say the sound then you repeat.

Reading

Book talk:

There are many things to discuss just on a front cover:
Begin with: 1. A prediction: Are these two friends? Why do you think that?
What do you think is going to happen in the story?
As you go through, pause to ask questions to assist them in making connections with their own lives and remind them of a story you have shared that is similar.
Can they re-tell the story to you-get them to summarise what happened.
Encourage your child to ask you when they don't understand a word-this helps them build their vocabulary to speak and write.
When we get into Autumn 2 ask them to read words that you know they can blend to read or maybe have been their 'sight words' that week in their tub.

Reading

Volunteers and reading sessions:

We currently have one reading volunteer who comes in the works 1:2:1 with children, checking how they are getting on with their tub sounds, blending books and eventually Phonics books. Her role has morphed into other areas and she does actually support with Phonics lessons too. We need people to support with other admin jobs too which then enables us to spend more time planning lessons.

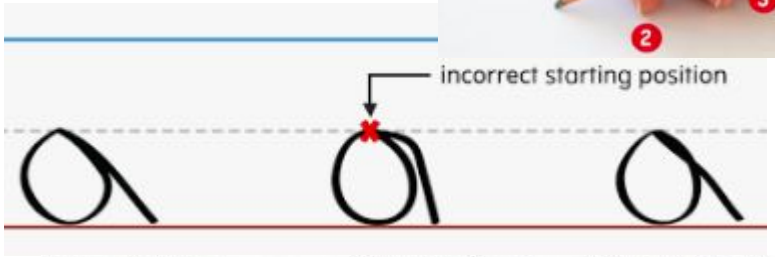

We would love more volunteers but because you need to be DBS checked, we would really like someone who can commit to one day a week, every week or else your DBS check is outdated, if you were not coming in regularly.

We'd also love to invite parents in weekly or bi-weekly to read to/with small groups of children. If you are able to do this, please email me or speak to me and I'll try and come up with a mutually convenient time. We used to do DEAR time on a Friday at 2.30.

Forest School

Forest School is a fun and adventurous way for children to learn outdoors. It helps build confidence, teamwork and problem-solving skills while letting children explore nature. Pupils will also learn how to use tools safely, care for the environment, and, most importantly, have lots of fun, including fire safety and even enjoy some outdoor cooking in a safe, controlled environment.

During the year, each class will have a series of sessions, led by a qualified Forest School coordinator, during school hours at a scheduled time each Tuesday, in our dedicated Forest School outdoor learning area. This is beginning with Year 2 and Year 5 in Autumn 1, then other year groups will follow. Your child needs to wear their school PE kit for the duration of the sessions. Since Forest School happens in all weather (unless it is extremely windy or icy), please make sure your child has:

- PE kit tracksuit with long trousers and jumper or PE jacket
- A waterproof coat for rainy days and warmer coat in winter
- School jumper can be worn for extra layers in winter
- Trainers (wellies or boots on rainy days*)

* As our Forest School area is quite sheltered, trainers will be suitable to be worn most of the time, however school staff will always notify parents in advance if wellies or boots are needed for particularly wet weather.

Educational Visits

Over the course of the year we have many visitors to enhance our provision; firefighters, nurses, dentists, police officers and animal experiences. We also visit the farm during the Summer term.

Father Stephen will visit us during Autumn to discuss our RE topic.

Please note that if we do not receive sufficient contributions towards educational visits, then they may have to be cancelled. Payments are made via Arbor.

Consent must be given for every child before we can allow them to participate. Verbal consent is **not** accepted for children to take part in any activity.

St. Thomas of Canterbury's Parent Heritage Group

Welcome to St Thomas of Canterbury's Parent Heritage Group!

Parents and carers will have the opportunity to discuss how our school supports the diverse heritages and multi-cultures within our school. We would like to hear your suggestions about how else we can embrace all aspects of our diverse community.

Everybody welcome!

Dates to be confirmed...

What we aim to achieve:

- Working together as a school/home community to celebrate our diverse cultures across the school.
- Planning cultural days: traditional clothing, traditional music, traditional stories.
- Ways in which the school can support families in celebrating diversity.
- Your ideas for what you would like to see implemented/how you would like to take part and support the children.

If you would like to join our Parent Heritage Group, please contact Mrs Foley, class RF

Friends of St Thomas' Come and join us!

Mrs Foley, our Community Involvement Lead, is leading the establishment of the Friends of St. Thomas of Canterbury.
If you would like to be a part of this parent support group, who come together to help raise much needed money for our school, you can contact our email address: friendsofstoc@stthomasofcanterbury.thurrock.sch.uk
We got together to organise the tea, coffee and sweet treat sales after the Nativities, concerts, Easter passion plays and parents evenings. We've held break the rules days (non-uniform days) as well as many raffle sales for Valentines, Mother's Day and Easter. We will be arranging; fetes, discos, and other fundraising events **if we get enough volunteers**.

If the only way you are able to support the school is by purchasing the things we have for sale; raffle tickets, cakes and coffees, this is still really valuable to help us raise funds!
