Communicating with the school

1

Your child's Class Teacher knows them best so should be the first point of contact. From 8:40am staff are working with children, so please speak to the teacher at the **end of the school day**.

2

If you have a further query, make an appointment to speak to the Year Group Leader.

3

Talk with any of our Senior Leaders:
Mrs Coppin
Mrs Smith
Ms McAnally

Or the Headteacher
Mrs Poulteney

Call the school office who may be able to answer your question immediately or pass a message to the relevant member of staff.
01375 375826

Email or call the school office to request to meet with a member of staff.
admin@stthomasofcanterbury.thurrock.sch.uk

Send in a note with your child.

Speak with the staff on the school gate at the beginning or the end of the day.

Email the class teacher.

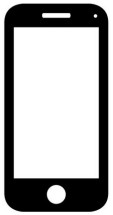

Attendance and Punctuality

It's fine to send your child to school with a minor cough or runny nose.
If they are unwell during the day we shall call you to collect your child.

Absence Procedures

If your child is absent for any reason, you should contact the school office by telephone before 9:00am on the first day of absence. You will be expected to provide an explanation for the absence and an estimate of how long the absence will last, e.g. one school day.

UNAUTHORISED ABSENCE

Where a pupil reaches the national threshold of 10 sessions (equivalent to 5 school days) of unauthorised absence in a rolling period of 10 school weeks, the school will consider whether a penalty notice is appropriate. Each case will be considered individually to determine whether a penalty notice or another tool or legal intervention should be used to improve attendance.

A fixed penalty notice will be applied for in line with the LA's code of conduct and the DfE's 'Working together to improve school attendance' guidance.

Penalty notices for unauthorised absences will be charged at £160, reduced to £80 if paid within 21 days.

Where attendance still does not improve following a fixed penalty notice, the school will work with the LA to take forward attendance prosecution as a last resort.

Religious Education

Christ is at the centre of everything we do in school, as a Catholic School we;

- pray together at the start of the school day, before and after lunch and at the end of the day
- come together weekly for Celebration of the Word led by a member of staff
- share in class-led Celebrations of the Word over the academic year
- sing and learn new hymns in our Musical Celebration of the Word
- provide children with the opportunity to lead on collective worship within the class based around Scripture
- offer opportunities for spontaneous prayer with prayer areas around the school
- share Advent and Lent bags with families so they can celebrate at home too
- have Faith Councillors in every class
- celebrate both Mass and other services such as Advent
- invite Fr Stephen to come in and talk classes in different year groups about topics they are studying
- portray the Nativity and Easter Passion with performances in school for the community
- support the community and fundraise for charities, such as CAFOD, donating to food banks and clothes banks.

Our learning this term - Religious Education

2 RE lessons per week
Autumn Term - themes and topics

- Weekly Assembly
- Celebration of the Word
- Musical Celebration of the Word

Branch 1 - Creation and Covenant

In this branch, pupils will encounter the God who creates and calls a people. They will explore revelation of the Christian belief that all that is comes from God, the Creation accounts in Genesis, and scientific explanations of the process of Creation.

Mass is celebrated regularly at school and church for the whole school and individual year groups. All parents welcome to attend.

Branch 2 - Prophecy and Promise

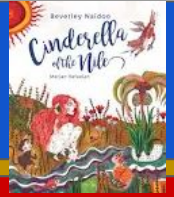

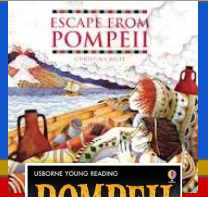

In this branch, pupils will explore the Christian understanding of the teaching of the prophets as they point to the fulfilment of God's promise in a Messiah, Jesus Christ. They will explore the expectant waiting for the Messiah through the Advent season and how this speaks to Christians today as they wait for Christ.

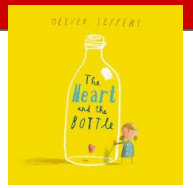

We learn, achieve and love following Jesus.

Key Maths Vocabulary

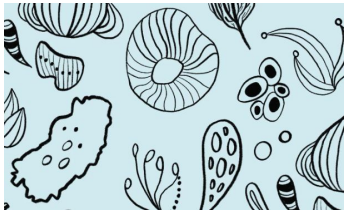

Here are the key words for Maths this term - please encourage the children to use them when possible.

Word	Definition	Example
Place holder	A place holder is a zero used in any place value column (that contains a value of zero) to clarify the relative positions of the digits in other places.	I need to use a place holder in the ones column to make it clear that my number is 320 and not 32.
Product	The result you get when you multiply two numbers.	24 is the product of 3 and 8.
Round	Approximate a number, normally to the nearest multiple of ten, to make it easier with which to calculate.	I would round the number 17 to 20 because it is three away from 20 but seven away from 10.
Near Double	When two numbers involved in an addition are close in value, such as 23 + 22. The numbers can be treated as exact doubles, followed by compensating.	To calculate 23 + 22, I can use the near double strategy. I can double 22 and then add one more.

Forest School

Forest School is a fun and adventurous way for children to learn outdoors. It helps build confidence, teamwork and problem-solving skills while letting children explore nature. Pupils will also learn how to use tools safely, care for the environment, and, most importantly, have lots of fun, including fire safety and even enjoy some outdoor cooking in a safe, controlled environment.

During the year, each class will have a series of sessions, led by a qualified Forest School coordinator, during school hours at a scheduled time each Tuesday, in our dedicated Forest School outdoor learning area. This is beginning with Year 2 and Year 5 in Autumn 1, then other year groups will follow. Your child needs to wear their school PE kit for the duration of the sessions. Since Forest School happens in all weather (unless it is extremely windy or icy), please make sure your child has:

- PE kit tracksuit with long trousers and jumper or PE jacket
- A waterproof coat for rainy days and warmer coat in winter
- School jumper can be worn for extra layers in winter
- Trainers (wellies or boots on rainy days*)

* As our Forest School area is quite sheltered, trainers will be suitable to be worn most of the time, however school staff will always notify parents in advance if wellies or boots are needed for particularly wet weather.

Parent Heritage Come and join us!

St. Thomas of Canterbury's Parent Heritage Group

Welcome to St Thomas of Canterbury's Parent Heritage Group!

Parents and carers will have the opportunity to discuss how our school supports the diverse heritages and multi-cultures within our school. We would like to hear your suggestions about how else we can embrace all aspects of our diverse community.

Everybody welcome!

Dates to be confirmed...

What we aim to achieve:

- Working together as a school/home community to celebrate our diverse cultures across the school.
- Planning cultural days: traditional clothing, traditional music, traditional stories.
- Ways in which the school can support families in celebrating diversity.
- Your ideas for what you would like to see implemented/how you would like to take part and support the children.

If you would like to join our Parent Heritage Group, please contact Mrs Foley, class RF

Friends of St Thomas' Come and join us!

Mrs Foley, our Community Involvement Lead, is leading the establishment of the Friends of St. Thomas of Canterbury.
If you would like to be a part of this parent support group, who come together to help raise much needed money for our school, you can contact our email address: friendsofstoc@stthomasofcanterbury.thurrock.sch.uk
We got together to organise the tea, coffee and sweet treat sales after the Nativities, concerts, Easter passion plays and parents evenings. We've held break the rules days (non-uniform days) as well as many raffle sales for Valentines, Mother's Day and Easter. We will be arranging; fetes, discos, and other fundraising events **if we get enough volunteers**.

If the only way you are able to support the school is by purchasing the things we have for sale; raffle tickets, cakes and coffees, this is still really valuable to help us raise funds!
